

GETTING AHEAD A PATH FORWARD

Next Session Starts Sept 28th
Mondays ✦ Sept 28th - Dec 14th ✦ 5:30-8pm

A Free, 12-Week Interactive Workshop

Designed to support low-income participants end the cycle of poverty while creating their own action plan for long-term financial and social stability.

Through discussions and assessments, we learn about the hidden rules of economic groups, how to build resources, and how to develop community relationships that help advance towards a promising future.

An interview is required to join the program.
